

Landrum City Commercial Trash Service Request

Date: _____

Name on Water Account: _____

Address of Service: _____

Water Account/Customer Number: _____

Name of person making request: _____

Phone number: (____) _____

I, _____, want to START / TERMINATE (*Circle One*) commercial trash service in the City of Landrum. I understand that the cost of trash pickup is \$30 a month. This includes two 96-gallon trash carts and one recycle cart. The cost of this service will appear on my monthly Spartanburg Water bill. I understand that there are no refunds granted for missed pick-ups or partial billing cycle service. City trash pickup only includes bagged household or your business trash only. Should I choose to discontinue/start service I must contact City Hall to make the request in writing as soon as is applicable.
